

Regulations for the diploma action on the occasion of the Polish astronaut's flight into space,  
entitled: Pierogis in Space

Duration of the action: 02.06.2025 (0:01 UTC) – 15.06.2025 (23:59 UTC)

Purpose of the action: Commemorating the presence in Space of the 2nd Pole in history and the 1st on the International Space Station (ISS); Improving operating skills and establishing and strengthening relationships within the amateur radio community; Raising awareness within the amateur radio community of the existence of the Mielec Amateur Radio Club SP8KBZ with the aim of reactivating the club in the future.

Organizers: The organizer of the diploma action is a group of amateur radio operators from the Mielec district and members of the SP8KBZ club.

Scoring:

Stations run by activators will operate on HF, VHF, and UHF bands, as well as on repeaters – with all emissions except CW, PSK, and RTTY;

Connections can be repeated on the same day, on a different band and with a different emission, as well as on subsequent days of the diploma action;

for each connection with activators operating under private callsigns, the hunter receives 5 points, and for a connection with the club callsign (SP8KBZ) – 10 points. SWL stations receive an analogous number of points for documented listening.

Stations awarding points: SP8KWO Michał, SP8TN Grzegorz, SQ8AQX Robert, SP8KBZ – Mielec Amateur Radio Club Station callsigns can contain additional prefixes/suffixes such as: M; MM; P; Prefix; District.

Conditions for receiving an e-diploma: The condition for receiving an e-diploma is collecting a minimum number of points:

for PL stations 50 points

for EU and DX stations 25 points

for SWL stations - under the above conditions IT IS RECOMMENDED TO MAKE 2-3 QSOs MORE THAN STATED IN THE REGULATIONS.

Logs must be available for inspection. The diploma will be available in electronic form for download from the website: <https://radiodyplom.pl> no earlier than June 17, 2025. The condition for receiving a diploma by an SWL station is sending an application.

the application containing the log in the attachment must have the word "PIEROGI" and the station callsign in its title. (e.g. PIEROGI SP8KWO)

applications should be sent by June 22, 2025, to the e-mail address [sp8tn@op.pl](mailto:sp8tn@op.pl)

the SWL diploma will be sent by e-mail by June 29, 2025.

applications sent after June 22, 2025, will not be considered!

Important information! Sending commemorative eQSL cards in the "PIEROGIS IN SPACE" action is not an obligation of the activator! The station awarding points can confirm the connection with a QSL card, if it practices this.

In the case of disputes, the final decision is made by the Action Commission, which includes the Organizers – Michał SP8KWO, Grzegorz SP8TN, and Robert SQ8AQX.
